North East India

Brief Information

The 'Land of the 7 Sisters' is an extremely underrated holiday destination that has seldom been explored to its fullest. Much of the region has been left unexplored to date, owing to the region's formidable terrain consisting of mountains, hills, rainforests, rivers, jungles and predators, and deficiency of infrastructure. The small-sized region has one of the highest biodiversity densities found anywhere in the world. A vacation to the northeast may not figure high on many travel lists, but a North East holiday is an adventure that a few have experienced.

Detailed Itinerary for Magical North East:

Route Description: Gangtok (2N) - Lachen (1N) - Lachung (1N) - Gangtok (1N)
