## **Day 01: (Grahan Village) Trek to Grahan Village**

You would be arriving in Kasol on your own to get to the starting point of the trek, which falls right before the last bridge on the way to the Kasol bus stand. Start the 9 km long trek that will take you about 4 to 5 hours to complete.

You will be following the waymarked red arrows as they will lead you to Grahan Village. The constant companion on the way to your destination will be the serene Parvati River.

After crossing two bridges, and hiking for a little longer, you would reach a point from where you can see a few houses. That's when you know that you have reached your destination.
